

DOBERMAN RESCUE OF NEW MEXICO Foster Home Application and Agreement

I agree to act as a foster home provider for Doberman Rescue of New Mexico, Inc. (DRNM). I also agree to fulfill and respect the following conditions while acting as a foster home provider:

- The dog will remain the property of DRNM. The dog will be surrendered to a representative of DRNM immediately upon request.
- The dog will be fed, watered, exercised, and will live within the home, unless other living arrangements are approved by DRNM. The dog is not to be allowed unsupervised off-lead time outside of fenced property of the foster family.
- The foster home will not be compensated for expenses incurred in the normal daily care of the dog; however, veterinary care may be provided by DRNM. This may include vaccinations, heartworm testing and preventative, spay/neuter, and any prescription medications necessary for the dog. Any expenditure incurred by the foster family other than emergency care and treatment require prior approval by DRNM. The foster family will be responsible for unapproved expenditures.
- The dog is to be adopted to its permanent home only under the supervision of DRNM to a family pre-approved by DRNM. Adoptive families may be contacted by the foster family to inquire about the dog; however, adoptive families are to be given respect and privacy.
- Adoption fees and/or donations connected with the adoption of the dog will be sent directly to DRNM, P.O. Box 26582, Albuquerque, NM 87125.

Any questions or problems regarding this foster care are to be directed to DRNM representatives. If there is need to remove the animal from the foster home, the animal is to be given directly to a DRNM representative.

The foster family accepts responsibility for any and all events that occur in connection with the fostering of a DRNM dog. The foster family agrees to release DRNM from any and all liability claims and responsibility for situations that may arise during the foster care of the dog.

The foster family will evaluate the dog and prepare a written evaluation. This evaluation will be kept with the adoption package as information for the new owners.
