

**DOBERMAN RESCUE OF NEW MEXICO  
Owner Surrender Form**

Our foster homes are almost always full, with a line of dogs waiting to enter our system. If you must rehome your Doberman and would like us to help, please fill out the form below with the understanding that it will be necessary for you to keep your dog until we are able to find it a new home. This time period may last from two weeks to six months. We will be happy to list your dog on our websites, but we will not be able to remove it from your possession, as we do not have an actual facility to house our Dobermans. *Please send us three GOOD pictures and a bio of your dog for these listings.*

**Please do not wait until the last minute to notify us that you must rehome your dog immediately.**

Download this form to your PC to complete it. Mail to:
